

District Leadership Committee Report

May 10th 2020

District 76 District Council Meeting #2

Committee Chair Katashi ISHIHARA, Immediate Past District Director

What is the District Leadership Committee?

- **The District Leadership Committee (DLC) evaluates all candidates for District elected positions and nominates the best candidate(s).** In order to ensure successful District elections, the District Director appoints the DLC Chair, who is a past District leader, preferably a past District Director, no later than November 1. Remaining committee members shall be appointed no later than December 1.
- The DLC Chair then appoints the members of the District Leadership Committee with the approval of the District Director. **The committee must be equally represented by each Division in the District.** The District Director, Program Quality Director, and Club Growth Director cannot serve as a committee member. The DLC chair does not represent a Division.
- The work of the DLC is critical in ensuring long-term District success. They must (1) abide by the timeline provided in [Article XI](#), (2) identify and seek qualified candidates, (3) commit to meet on a regular basis to conduct candidate assessments, (4) confirm that each candidate meets the qualifications, and (5) **ensure the minimum number of candidates have been nominated for each of the required elective positions.** The DLC report must be presented to the District Director at least six (6) weeks prior to the District's Annual Business Meeting. No DLC member may be nominated or run from the floor for any District office for the program year following the election at which the committee's report is presented.
- **The committee nominates a minimum of one (1) candidate each for the offices of District Director and Program Quality Director, two (2) or more candidates for the office of Club Growth Director, and a minimum of one (1) candidate for all other elective District offices.**

The members of the District Leadership Committee
